## Re : Pegasus parkrun 100<sup>th</sup> Event

Hi All,

What a fantastic event our 100<sup>th</sup> running of Pegasus parkrun turned out to be!

Under no circumstances did I ever expect to see so many parkrunners on our course! To not only see that many there, but also to see them enjoying both their run and the festivities afterwards, was just brilliant.

For the record, we had 247 parkrunners complete the 5km course, 74 of them had never been to Pegasus parkrun before and of that 74 a total of 51 had never done a parkrun before, anywhere! 29 people recorded Personal Best times, which is also great to see as I imagine there was much less space on the course than people are regularly accustomed to at Pegasus.

The success of this Event can be measured by those statistics as well as the incredible eclipsing of our previous highest attendance of 93 and also, hopefully, by the feedback that our Sponsors receive. We could not have produced an Event like this without the time, energy & effort put in by yourselves, having had had no previous Sponsorship contact with, your contribution was immense. Thank you for being so supportive of Pegasus parkrun, we appreciated it greatly.

Thank you once again,  
You guys are phenomenal to work with

Best Regards  
Geoff McMillan  
Pegasus parkrun
